

# 2011 South East Regional Fly In (SERFI) Annual Safety Seminar

We will present several Wright Brothers "Master Pilot" and Charles Taylor "Master Mechanics" Awards and then discuss Risk Management during Maneuvering, Approaches and Landings. We will view three short videos and discuss each segment with the audience.

**Directions:** From I-65 take exit 93 US HWY 84, go west approximately 2 miles; Evergreen Middleton Field will be on your left. Go to the Big Red Hangar

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
